

**Night Journey 79: Venus de Money the Oligarch's Idol: Money is the god we worship who's love cannot embrace liberty and justice.**

## **Money Money Money**

**But which came first?**

**Money or man?**

**Yes man!**

**And now money rules man, doesn't that tell you something?**

**Money isn't natural.**

**Money is worthless in the eyes of nature yet money rules the world.**

**Money is the God that man worships.**

**Money is metal, paper and numbers.**

**Money is what we spend all our lives working for.**

**Money is what we spend all our lives spending.**

**Money is what keeps us going.**

**Money is what keeps us down.**

**Money is power and greed.**

**Capitalism is the new religion and**

**God has been sold out for the pound.**

**Money is what makes man thinks he is better than man!**
